

37. I STILL LONG FOR LOVE

Freely

Dave Andrews

When we were young I once be - lieved that we'd see king - dom
young I once be - lieved we'd do what should be
gone But I still long for love to fill my
gone But I still long for love to fill my

come. I once be - lieved that Christ would come an' save ever - y
done I once be - lieved that all of us would right ever - y
soul. I still long for love that floods my soul to o - ver
soul. I still long for love that floods my soul to o - ver

one. Long a - go. When you and I were young. When we were
wrong. Long a - go. When you and I were young. Those days are
flow. Like it did - - - so ve - ry long a - go. Those days are
flow Like it did so ve - ry long a - go.
