

8. TELL TO ME NOW.

Bm Em A7 F#m
Tell to me now - don't wait another day –
Bm Em F# Bm
Why are you so anxious? Why are you afraid?

Bm Em A7 F#m
What of the sadness that's shadowed in your eyes?
Bm Em F# Bm
What of the suffering that struggles through your sighs?

Bm Em A7 F#m
What of the hopes you confided in your friends?
Bm Em F# Bm
What of the plans you told of time and again?

Bm Em A7 F#m
What of the things that once you thought were true?
Bm Em F# Bm
What of the times when what you were was ... you?

F# Bm
Let me take your broken song.

Em A7
Let me take your broken soul.

F# Bm
Let me take what you want to sing again.

Em F# Bm- (Bm Em F# Bm)
Let me take you and make you whole. (x2)
