

## 7. GOD'S LOVE IS GOOD

: C D C D G Em C D GCGC

G Em G C  
Waking each dawn I greet the morning  
G C D  
Expectantly open my eyes.  
G Em G C  
Each day I'm livin', a gift that I'm given,  
G C D  
Can't wait to see the sun rise.

Chorus

C D  
God's love is deep, God's love is high,  
G Em  
God's love is earth, God's love is sky,  
C D  
God's love is yours, God's love is mine,  
G -G7  
For all of time.  
C D  
God's love is good, God's love is kind,  
G Em  
God's love is bread, God's love is wine,  
C D  
God's love is yours, God's love is mine,  
GCGC  
For all of time.

G Em G C  
Walking and talking, I have the feeling  
G C D  
Can't seem to help it, but smile.  
G Em G C  
Laughing and crying, I have been thinking  
G C D  
It's hard, but it's always worthwhile.

Chorus

G Em G C  
Listening each evening, I hear the breathing  
G C D  
Gratefully savour a sigh.  
G Em G C  
I know something that makes my heart sing,  
G C D  
I know I'm glad I'm alive.

Chorus
